

Captitalize on eco aware consumer: By Understanding the Green Economy

The sustainability movement is here to stay.

What does it mean for your business? In a highly competitive business environment even a slight edge can mean the difference between enormous success and a colossal failure. Consumers who favor those products and services are socially responsible.

Why? because they feel it's the right thing to do.

- Position your company as the socially responsible alternative
- Learn strategies to attract the eco-aware
- Follow the lead of industry green leaders
- Get noticed for your green efforts

About Speaker, Julie Watkins:

Julie Watkins graduate of James Madison University is a green reporter and meteorologist with Action News CBS 47 Fox30 in Jacksonville, Florida. She has worked in the broadcasting industry for over 15 years and has always taken an active role in local environmental groups. Formed in 2007, She heads the 501(c)(3) non-profit organization Girls Gone Green devoted to heightening people's awareness about how to improve the quality of our lives by improving the world around us. In addition to weather forecasting, she is delighted that she can utilize her green knowledge and experience on her station's newest website, "GO GREEN" (Go Green - ActionNewsJax.com)

Julie doesn't just talk green, she lives green! She drives a hybrid car, owns an energy efficient home in an environmentally-intelligent community, uses earth-friendly cleaning products and cosmetics and has been vegan/vegetarian for almost 15 years.

About Speaker, Helen Rake:

Helen Rake, CFP has been a part of the investment industry since 1999. Ms. Rake has been associated with Collins Capital Management since March of 2004 where she serves as a Principal of the firm, Portfolio Manager and a member of the firm's Investment Committee. She is a member of the American Society of Women Accountants (ASWA), the Chartered Financial Analyst Institute (CFA), and the US Green Builder's Council of NE Florida. Helen has made it a mission to bring a better understanding of Socially Responsible Investing (SRI) to consumers and investors on the First Coast and beyond.
